

Coronavirus COVID-19

Stay informed on the current outbreak.

Kroger Health and The Little Clinic are partnering with local Health Departments on the current Coronavirus COVID-19 outbreak.

factors of exposure to COVID-19.

If warranted, a higher level of care will be referred and/or consultation with Local or State Health Departments in their areas that are able to provide a test **(please note that The Little Clinic does NOT provide the actual test at this time)**.

Our Providers will also provide tips on the best ways to avoid getting and/or spreading the coronavirus such as proper hand hygiene, avoiding close contact with sick people, staying at home when sick, cleaning surfaces, etc.

Because the situation continues to be so fluid, it is recommended you seek the most updated information on the Center of Disease Control's website.

Our Providers are available 7 days a week and weeknights to help in these unsettling times. Schedule an appointment at a Clinic near you.
